

BUSINESS UPDATE | COVID-19

Rawdon Hill Constructions has been established on the core value that customer service is number one. This guides us during the difficult and challenging period we find ourselves in, relating to the Coronavirus.

All Display Homes will be closed as of Monday 23rd March 2020 indefinitely until further notice.

We continue to closely monitor the situation having regard to the recommendations of the World Health Organisation, Australian Government and the Australian Medical Association. Rawdon Hill Constructions remains fully open for business and there are no anticipated interruptions to service to our clients. Notwithstanding this, it has been necessary to implement various measures to ensure the safety of our employees and to minimise the risk of spread of infection generally.

We recognise that these are unsettling times and we pride ourselves on our relationship with our clients. Therefore, should you have any questions of any nature, please don't hesitate to contact us. It is important that we take a calm and balanced view, making sensible decisions in the best interests of everyone working in or associated with Rawdon Hill Constructions.

Thank you for your continued support and let's hope this insidious virus passes quickly and we can all get back to normality. Our thoughts and prayers are with all our customers and their families currently – stay safe.
